All,

Reconciling the various edits of the attached document took up a large part of our meetings on Oregon CZARA today. I hope I did everyone's comments and edits justice. The attached version merges comments/edits from the following people:

- Allison Castellan
- Alan Henning
- Peter Leinenbach
- Scott Hecht
- Me

Ex. 5 - Deliberative

So please take a look. Christine Psyk has emphasized the need for a very fast turn-around on this. Please try to turn your review around by COB if possible or let the group know when you will get to it.

Thanks.

Subject: The "Forestry Gaps" Document

As promised, here are two versions of the latest Draft Internal "Forestry Gaps" documents. One is a clean version with all the revision incorporated and the other is with redline/strikeout and oodles of very long comments, including from me based on input some of you provided. I did make one change today which was to add "Internal Document" and today's date to the header.

So, end of the day Tuesday, 2/10/2015 is the requested deadline for your input. Thanks.
